30 November 2009

Dear Ewen Chisholm

**Forgandenny Primary School Christmas Market**

On behalf of Forgandenny Primary School Parent/Carer Forum, we would like to thank you for the support you have shown in donating juice, tea, coffee, milk, sugar, cakes, mince pies and shortbread for our Christmas Market held yesterday Sunday 29 November 2009.

We managed to raise just over £630 for School funds, which will go some way in helping restore order after the recent break in at the School. All Stall holders reported good sales and we had a steady flow of people throughout the event. We recorded almost 100 names in our free draw for Cameron Club (kindly donated by Strathearn Stone & Timber) on admission. Mostly everyone attending commented on the warm welcome and community feeling within the hall, which we were happily able to extend with the support shown by your company.

Once again, thank you so much for providing everything needed to extend a warm welcome to all those who supported our event on a cold chilly November day, which undoubtedly helped in making it a success.

With kindest regards.

Yours sincerely

Elma Marshall & Alison McIntyre
