Your friendly *local* store

“We are delighted to announce the acquisition of our 28th store in Kinglassie. The store is currently trading under the Premier fascia and is a busy and successful independent store. Sales are currently £18,500 a week, excluding Paypoint and lottery. We take over on Monday 29th March, planning to reopen the next day, Tuesday 30th March.

In the short term Linda Harley will be running the store, supervised by Margaret Drummond. Linda will be joined by Rachael King. An open day is planned in the very near future to recruit local people to staff and manage the store.

Plans are in place to extend the store but for the first few months it will be a case of gradually changing the range and layout. With building work well under way at our new build store in Linburn Road, Dunfermline, this year will prove I am sure another eventful year”. David Sands, Chief Executive
